

# DCS Summer Reading and Book Projects

## 4th Graders

Congratulations 4th graders for making it through an amazing year!  
We are so proud of you and will miss you this summer!  
We know that you are ready to take on fifth grade and we are so excited for you to continue learning and growing this summer!

**Over the summer, please continue to practice your math skills on IXL and complete the following project!**

Required Book – Choose a book from the **Who Is / (Who Was)** series  
or  
Choose a book from C.S. Lewis' Chronicles of Narnia series

**Project** - Bring in the book and a paper lunch bag containing 3-5 items related to the story for an oral book report presentation. Your book report should include 2 - 3 paragraphs with a minimum of 5 sentences per paragraph for presentation in class. Bring your book and bag on the 1st day of school.

**Note to parents:** Summer reading is very important and is intended to be fun, but may be challenging. Students are encouraged to have support (such as reading with a parent or following along while listening to an audio book). Thank you for helping your student with this project and encouraging

them to keep growing over summer break!
